

## 2016 RUBICON

*The production of Rubicon, Inglenook's premier red wine, began in 1978 and restored the Estate's legacy of making world-class wines. Rubicon is an elegant blend from the finest vineyard blocks, and showcases the highest potential of both the Estate and the vintage.*

### VINTAGE NOTES

After four years of drought, a winter with average rainfall was welcome, as it provided ample soil moisture for a strong start to the 2016 growing season. Average late-spring temperatures and limited precipitation minimized the risk of frost during mid-May bloom, ensuring average yields. June closed with a heat spell, slowing vine canopy growth at the ideal time. Harvest of the blocks contributing to the 2016 Inglenook Rubicon blend occurred under optimum conditions from September 6th through September 27th.

### WINEMAKER'S TASTING NOTES

Ideal harvest conditions endowed the 2016 Rubicon with the three elements associated with a truly great wine from the Rutherford appellation: complexity, balance, and elegance. The aromas are intense and focused with top notes of creamy, sweet vanilla, and black licorice wound around a core of exquisitely ripe black cherry and crème de cassis. This refinement extends directly to the palate, where the wine is both broad and deep with sensuous, silky tannins. Supremely balanced in terms of both opulence and complexity, ripe black fruits and an ultra-smooth texture provide an impressive crescendo to a very long finish.
