

2024 INGLENOOK BLANCANEAUX

Produced since 1999 as a partner to Rubicon, Inglenook's premier red wine, Blancaneaux is a blend of three estate-grown white Rhône varieties. Marsanne and Roussanne contribute body and minerality, while Viognier adds intense aromas of tropical fruit. These varieties are grown in vineyard blocks that enjoy full morning sun but are in the cooling shadow of Mount St. John by mid-afternoon.

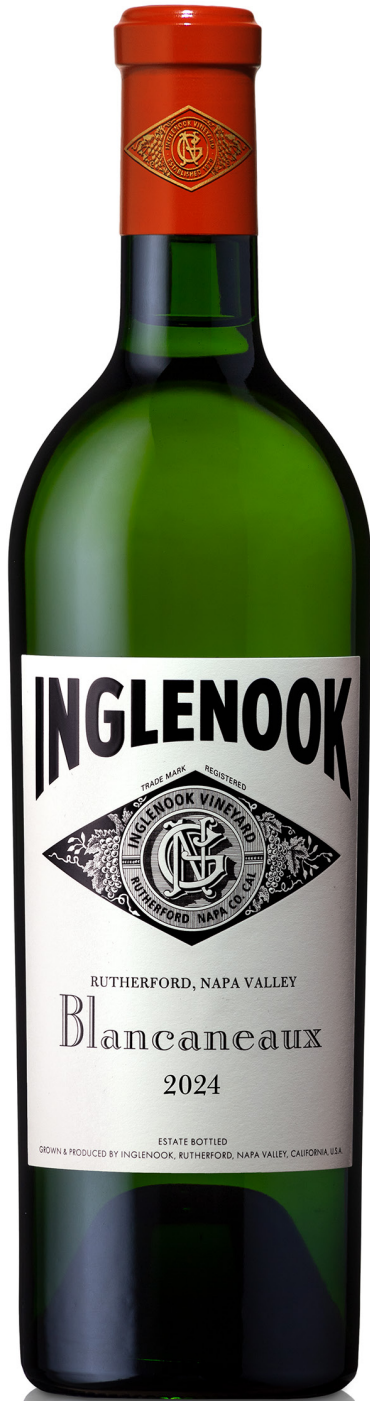

VINTAGE NOTES

Bud break for the 2024 vintage began right on time in early April, following a healthy spell of a few cool, rainy days. By mid-May, consistent sunshine supported a smooth and even bloom across the estate. Spring and summer unfolded in a classic rhythm: warm days balanced by cool nights. The hottest stretch arrived in late June and early July, but the vines stayed healthy thanks to refreshing nighttime temperatures. The rest of summer brought ideal weather – plenty of warmth without prolonged heat. August was especially notable as one of the coolest in the past decade, creating ideal conditions for developing the purity and freshness of our Sauvignon Blanc and Rhône varieties.

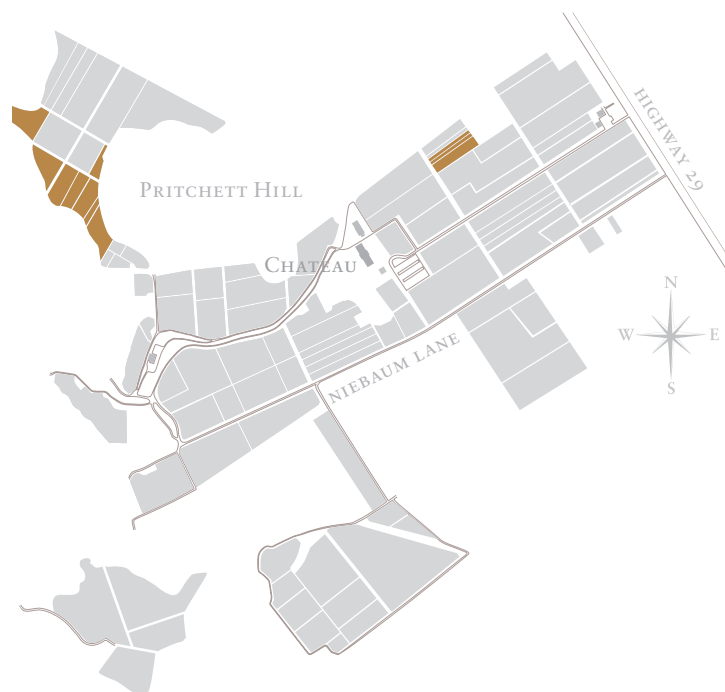

The cool conditions in August preserved the freshness of Marsanne and Roussanne and enhanced the intense bouquet of Viognier. Harvest began on August 26th with Viognier from the Chateau vineyard and concluded on September 10th with Marsanne from Pritchett Hill.

WINEMAKER'S TASTING NOTES

The 2024 Inglenook Blancaneaux opens with a bouquet of lavender, orange blossom, and a hint of chamomile, creating an aromatic lift. On the palate, layers of yellow peach and grapefruit deliver a vibrant core of stone fruit and citrus. Subtle notes of vanilla from well-integrated oak lend warmth and roundness, while a thread of bright acidity keeps the wine fresh and energetic throughout the finish.

Founded in 1879 by Gustave Niebaum, INGLENOOK remains the crown jewel of the Napa Valley under the stewardship of the Coppola family.

APPELLATION:
RUTHERFORD, NAPA VALLEY

BLEND:
48% VIOGNIER
26% MARSANNE
26% ROUSSANNE
