

Founded in 1879 by Gustave Niebaum, INGLENOOK remains the crown jewel of the Napa Valley under the stewardship of the Coppola family.

2025 INGLENOOK BLANCANEAUX

Produced since 1999 as a partner to Rubicon, Inglenook's premier red wine, Blancaneaux is a blend of three estate-grown white Rhône varieties. Marsanne and Roussanne contribute body and minerality, while Viognier adds intense aromas of tropical fruit. These varieties are grown in vineyard blocks that enjoy full morning sun but are in the cooling shadow of Mount St. John by mid-afternoon.

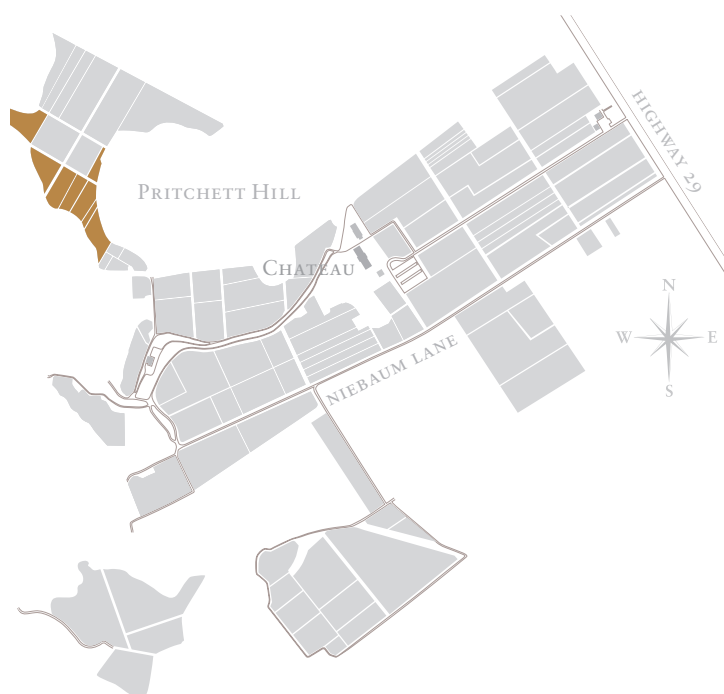

VINTAGE NOTES

The 2025 growing season unfolded with a steady rhythm that allowed the vineyard to progress naturally from budbreak through harvest. Following a winter with ideal rainfall, vines entered the season under balanced conditions, with budbreak occurring right on time. Warm spring weather and ideal bloom conditions encouraged excellent fruit set and supported the development of healthy, balanced canopies across the estate.

The cool conditions of June and July created ideal circumstances for preserving the freshness and natural vibrancy of Marsanne and Roussanne, while the warmer days leading into harvest enhanced the expressive aromatics of Viognier. Harvest for this blend began with the Saddle Viognier blocks on September 2nd and concluded nine days later with Roussanne from the Apple vineyard.

WINEMAKER'S TASTING NOTES

Elegant and layered, the Blancaneaux opens with fragrant white flowers and jasmine, accented by notes of orange blossom honey, beeswax, and a subtle hint of mineral complexity. The palate reveals apricot, green mango, and warm peach galette, offering both vibrant freshness and rich, expressive fruit. Bright acidity provides lift and balance to the wine's generous, rounded mouthfeel, while the dry, refined finish lingers with remarkable length and grace.
